Re: Additional Recommendations for Appointment to CJA Panel

Dear Chief Judge Polozola:

By letter to you dated May 5, 2003, I submitted the recommendations of the Panel Selection Committee for approval by the Court for membership on the CJA Panel for the United States District Court for the Middle District of Louisiana.

As you may recall, at the time the Panel Selection Committee met to make its recommendations to the Court, Professor North indicated that he would recruit additional persons for appointment to the CJA Training Panel. The Panel Selection Committee agreed those persons recruited by Professor North should be sent directly to you for approval.

I have received the names of the two additional lawyers, as well as their applications for panel membership, who were recruited by Professor North and ask that they be approved by the Court for membership on the CJA Training Panel for a term of three years. Those names are:

Exkano K. Philson

Baton Rouge, LA 70802

Earl Andrew Marcelle, III
632 St. Ferdinand Street
