iPhone or Android:

In advance, Download the **ZOOM Cloud Meetings** app from *Apple App Store* or *Google PlayStore*.

- You will be sent a meeting URL to connect to the Zoom Call, when clicking the URL on iPhone or Android device it should automatically open in the Zoom App.
- Click **“Join with Video”** or **“Join without Video”**
- Click **“Call using Internet Audio”**

You should now be connected to the Zoom call. If the meeting URL didn't work, use the following instructions:

Open **ZOOM Cloud Meetings** app on iPhone or Android

- Click **Join a Meeting**
- Enter the **Meeting ID** provided (should be a 10-digit number, ie. 160-***-****)
- Enter the **Password** provided (should be a 6-digit number)
- Click **“Join with Video”** or **“Join without Video”**
- Click **“Call using Internet Audio”**

To access you toolbar to Mute/Unmute Mic; tap the smartphone screen
